

CORNING

Get 480 Copper Jacks Free.

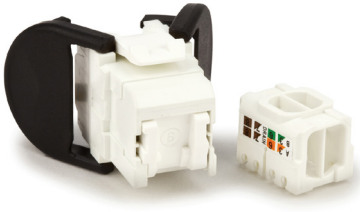

When you purchase two bulk packs (480 jacks per pack) of qualifying copper modules from September till end of December 2020 , you will receive an additional bulk pack for free. To qualify for the offer, two packs (960 pieces) of the same part number must be bought in the same order to get the third identical pack (480 pieces) free of charge.

Example: Buy two packs of XF500006424 and get one pack of XF500006424 for free.

This promotion is not limited to one order but is only applicable if parts are ordered at the standard price. Parts ordered under special project pricing are excluded from this promotion.

Terms and Conditions

Discount promo code Copper0901 should be entered on the purchase orders (POs). The promotion starts September 1, 2020 and will end on December 31, 2020. Only POs sent and invoiced during this time will be eligible for the promotion. Any request for free items prior to September 1, as well any requests received after December 31 cannot be considered. All orders must be placed before December 31, with a requested delivery date no later than January 31, 2021. All items will be shipped to one distributor location. Additional cost will apply for shipments to end customer location. This promotion is not open to federal, state, or local government and hospital officials or representatives. Taxes, if any, are under the sole responsibility of the customer. Corning is not responsible or liable for any technical, hardware, software, server, website, or other failures or damages of any kind which may prevent or obstruct the customer from participating in the promotion. Returns will only be accepted regarding manufacturing quality issues and/or damaged packaging. Lead times are subject to availability.
